Future YouTube PR Employees/Trainees Luncheon

CORPUS CHRISTI, TEXAS, December 16, 2022. Current Texas A&M University students are encouraged to attend a career fair luncheon at the Island University provided by the division of Student Engagement and Success. Local companies in the Corpus Christi area will attend this event. Current students and alumni will be allowed to meet with representatives from various companies to gather information, as well as job opportunities within the organizations, such as YouTube. Current students and alumni will be allowed to view various internships available to them not just in the coastal bend area, but to other YouTube facilities in the nation. The Student Engagement and Success Center encourages all students to take advantage of this opportunity as it is a chance to market oneself in the professional setting. We ask that all students dress in casual business attire. Upon entering the event, students will be allowed to join a raffle. The raffle prize will be a gift card to the University bookstore totaling $200.00. B&J's Pizza will cater for the luncheon. The event will be held in the University Center on December 16, 2022, at 11 AM. President and CEO Kelly Quintanilla will be in attendance to give a speech about leadership within the organizational setting. Please join us for this life-changing event!

The Student Engagement and Success center has aided many students and alumni in their path to success. In many events hosted by the Student Engagement and Success center, alumni have shared their stories with incoming students. One alumnus who has found the path to success through the Student Engagement and Success center stated, "The Student Engagement and Success center gave me the tools to succeed within the organizational setting and helped me forge connections with future employers, I encourage all students to take advantage of the Student Engagement and Success center as I would not be where I am today without them!" This event is guaranteed to give students an eye-opening experience!
